

# ***Run Away Home***

First Novel in the *Prescription For Trouble* Series

by Richard L. Mabry, MD

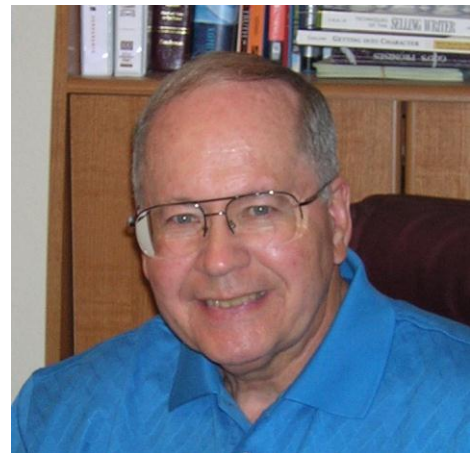

Life is coming at Dr. Cathy Sewell fast—about as fast as the black SUV that runs her off the road, just one more sign that coming back home doesn't necessarily bring peace of mind...because small towns have long memories.

Cathy discovers that among her hometown friends and acquaintances is someone who wants her out of town...or dead. Lawyer Will Kennedy, her high school sweetheart, offers help but does it carry a price tag? Is hospital chief of staff Dr. Marcus Bell really on her side in her fight to get hospital privileges? Is Will's father, Pastor Matthew Kennedy, interested in advising her or just trying to get her back to the church she left years ago?

When one of Cathy's prescriptions almost kills the town banker, it sets the stage for a malpractice suit that could end her time in town, if not her career. It's soon clear that this return to her hometown was just a *prescription for trouble*.

Before retiring from medicine, Dr. Richard Mabry achieved worldwide recognition as a teacher, speaker, and the author or editor of eight best-selling medical textbooks and over one hundred published papers.

His book, *The Tender Scar: Life After The Death Of A Spouse* (Kregel Publications) has ministered to multiple thousands since its publication in 2006. Dr. Mabry's work has appeared in numerous periodicals, including *Upper Room Devotional Guide*, *In Touch Magazine* and *Christian Communicator*.
